Organiser's Comments:

Thanks all for turning out on a very chilly evening. Some very good results.

For control number 22, I have allowed either 8 or 9 to be correct. I had intended it to be 9, but on revisiting that control due to the number of people giving '8', I can see there are actually two lamp posts within a few metres of each other and the circle on the map covered them both, with the centre not quite on no. 9. Must be more accurate with circle placement in future!
