Planners comments: Wow what a cold evening (-2/-3)! It would have been very easy to stay at home in the warm, although everyone did keep their layers on until the very last minute. I enjoyed the inside of the very warm pub whilst everyone was out running/walking. It is very interesting to see all the routes on maprun, as they did vary considerably. I hope I am forgiven for all of the hills! The 29 controls (I can't explain what happened to the missing number 11) were spread over quite a distance, so it was always going to prove a challenge to get them all. Well done to Michael and Richard who both covered 10km to visit 25/26 controls. For those that ran past the windmill in the dark, here it is in the daylight last weekend:
